Xchange Challenge (Master Connector) Instructions

“Master the Supplier Xchange! Become a Master Connector by completing quests to help you network effectively and make the most of your conference experience.

Take on as many challenges and activities as you can! Everyone can master the Xchange; use these challenges to engage, connect, and set your business up for success! The challenges continue up until 5 PM when the exhibit closes. Top Connectors will be rewarded with exclusive digital badges and certificates – and can certainly say they made the most of the event.

When making connections, don't forget to scan each other's QR code! Your information will be automatically exchanged and saved in My Leads/My Scans List.

Make connections and don't forget to have fun!”

The woman on the left is wearing a bright yellow long-sleeved top and large teal earrings. The woman in the middle is wearing a grey polo shirt with a 'Progressive' logo and a blue lanyard with a badge that reads 'Sadie A. Sadie A. Cobb, Progressive Business Solutions, Raleigh, NC, TIER 1 SUPPLIER'. The woman on the right is wearing a black blazer over a white shirt, glasses, and a blue lanyard with a badge that reads 'Briana, Progressive Business Solutions, Raleigh, NC, TIER 1 SUPPLIER'. The background is a plain, light-colored wall.

Networking

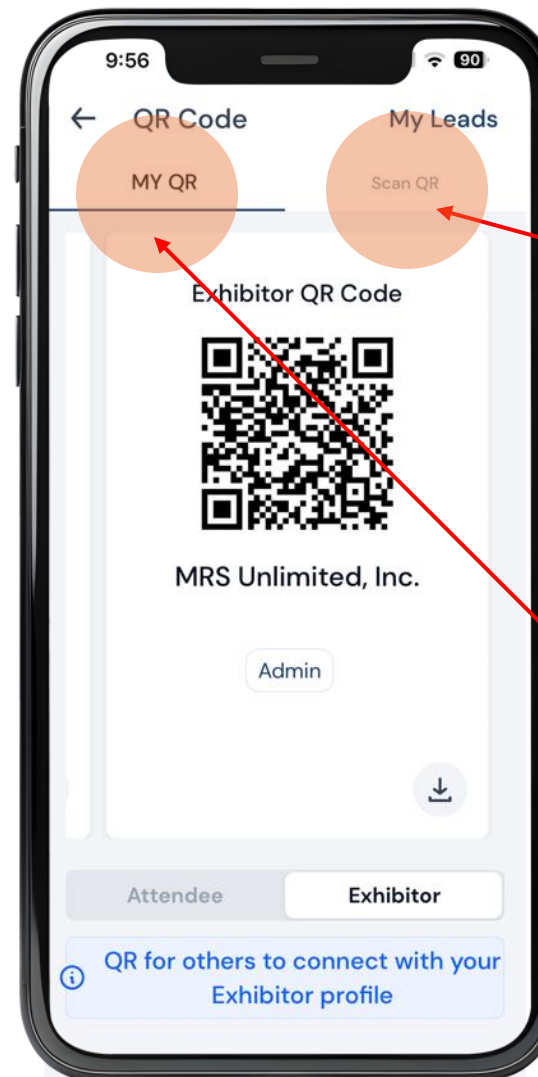

How to Exchange Contact Information

Start by clicking the QR code icon

Attendee view

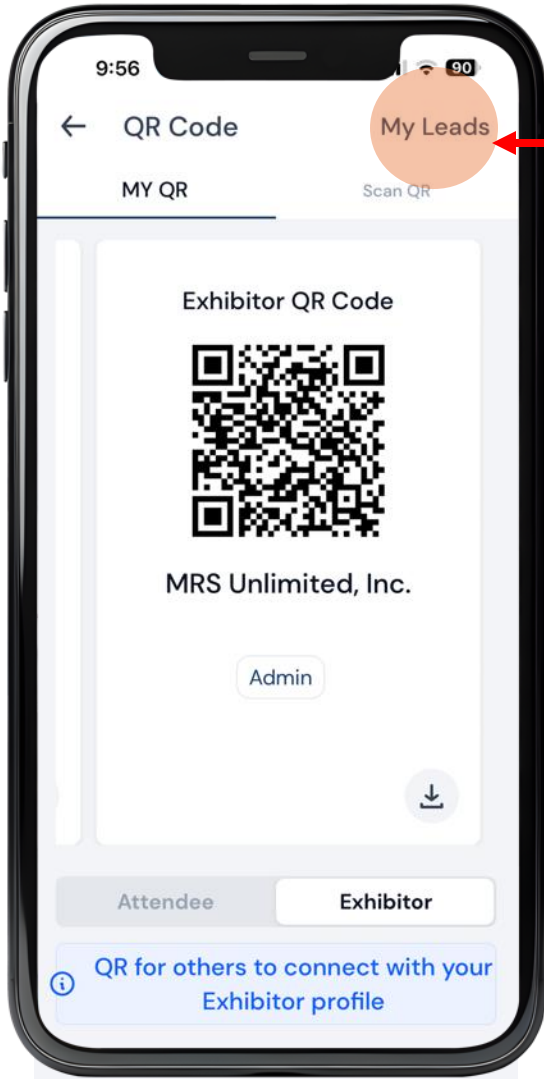

Exhibitor view

Toggle between the two tabs to either scan or share your QR code.

“Scan QR” - Use this screen to scan the QR code of the person you are connecting to. This will save their contact information in “My leads/QR scans” list

“Personal/Exhibitor QR code” – show this to the person you are connecting with and have them scan your code to share your contact information

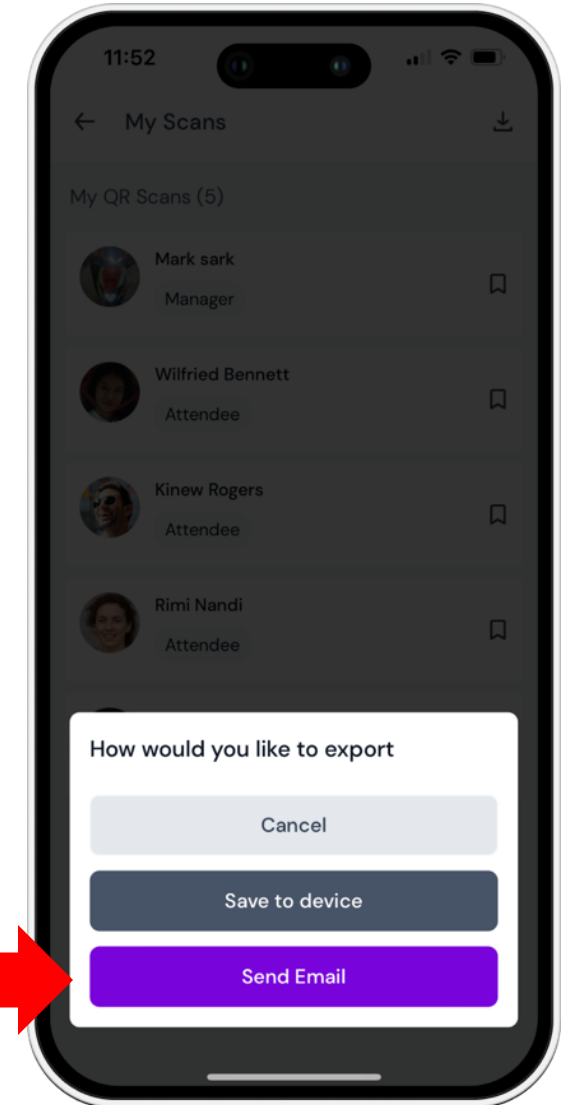

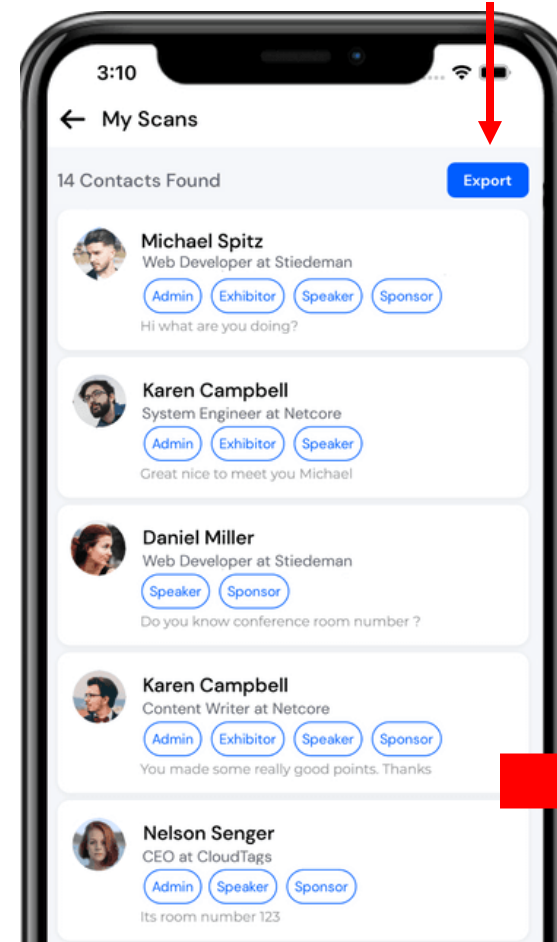

How to Download a Lead List

Click “My Leads” or “My Scans” button on the QR code screen.

This screen will show a list of all the people whose QR code you scanned.

Once you have at least one lead, you will see an Export button.

Suggested Contacts

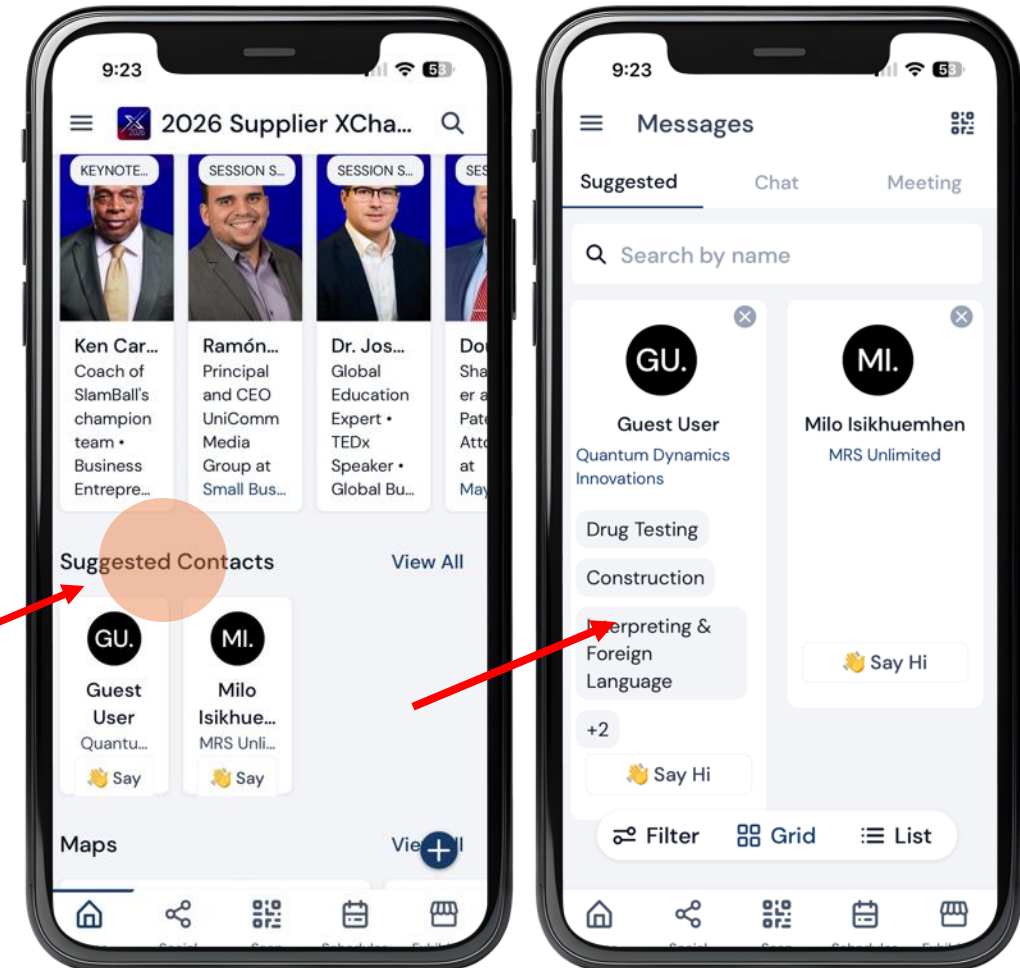

“Suggested Contacts” is an app feature that makes it more efficient to network. Everyone answers a few questions when filling out their profile, and the app generates Shortlist of potential suppliers generated for exhibitors

SET UP YOUR PROFILE

- When you first login, complete your profile and indicate what **products or services you offer** (general attendee), or **what product and services you are looking for** (exhibitors).
- You can update your profile at any time to change these settings.

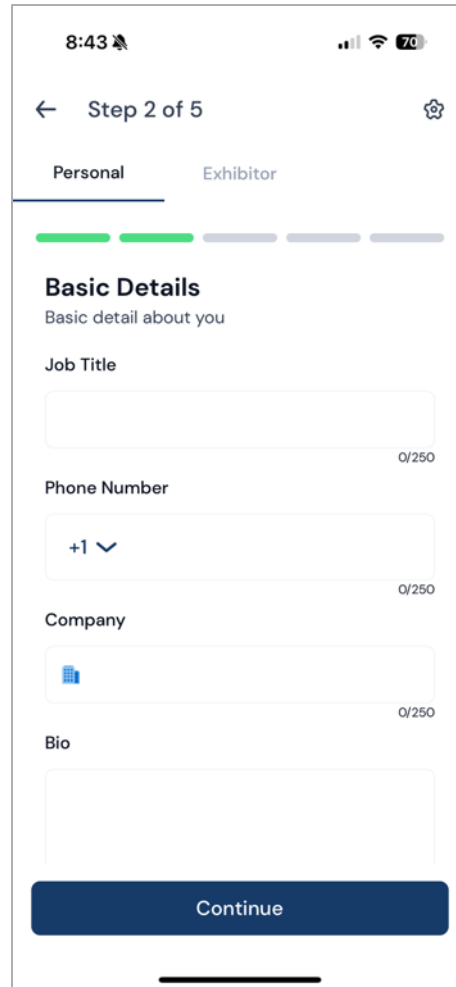

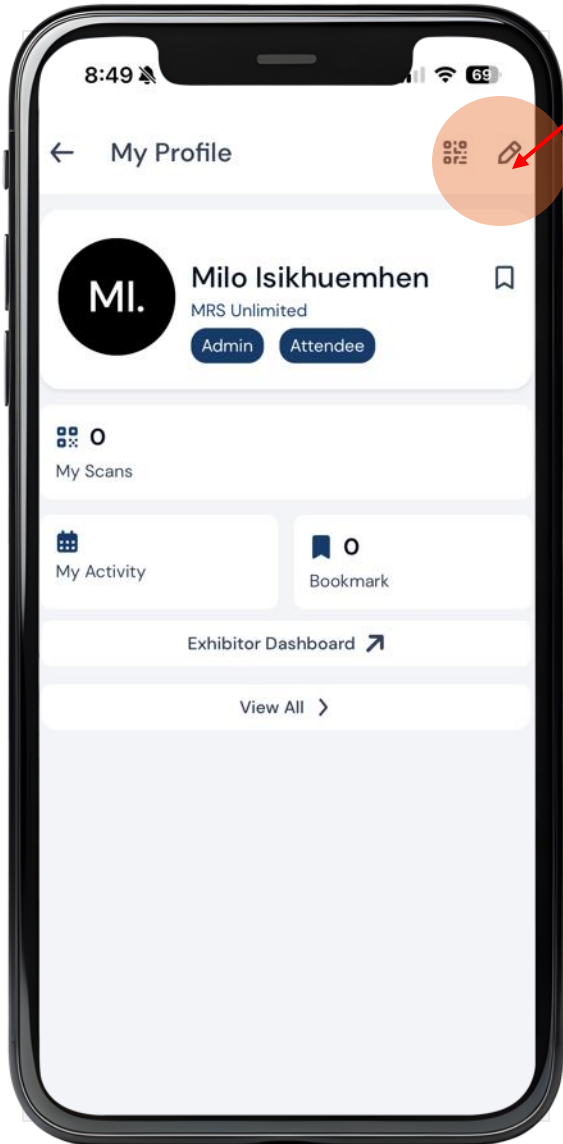

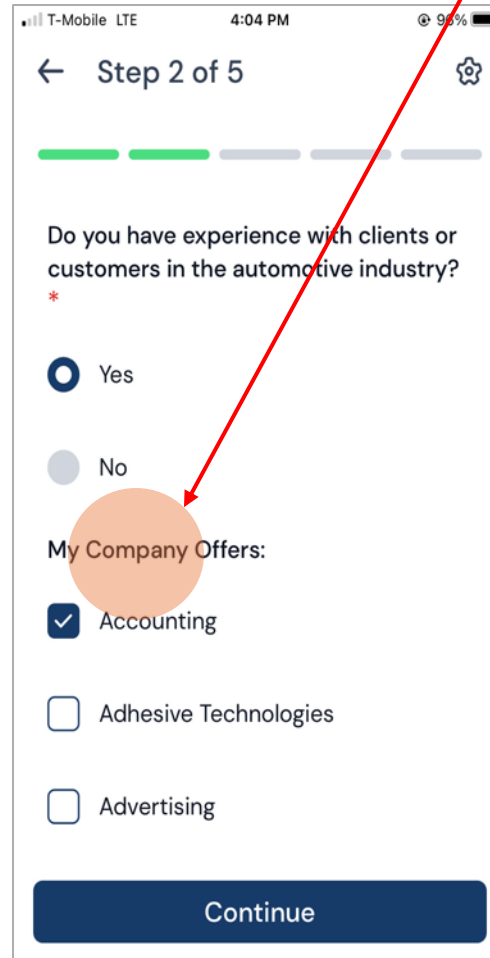

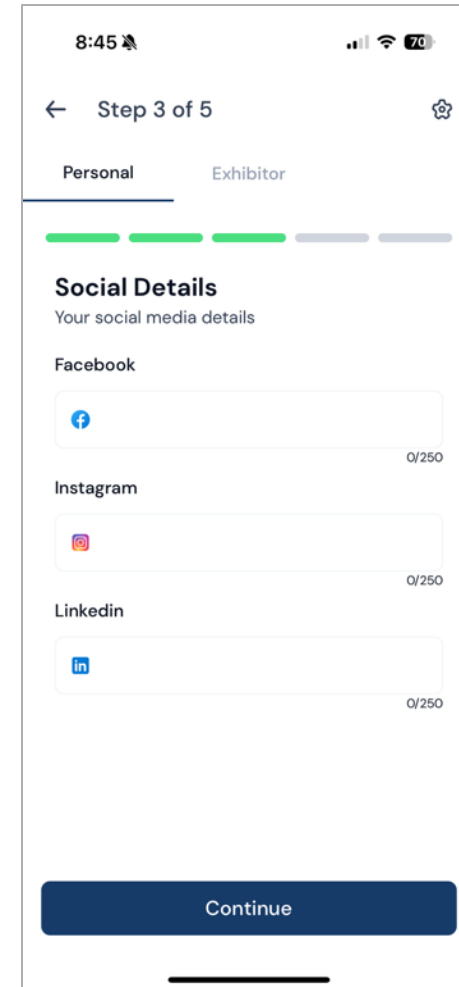

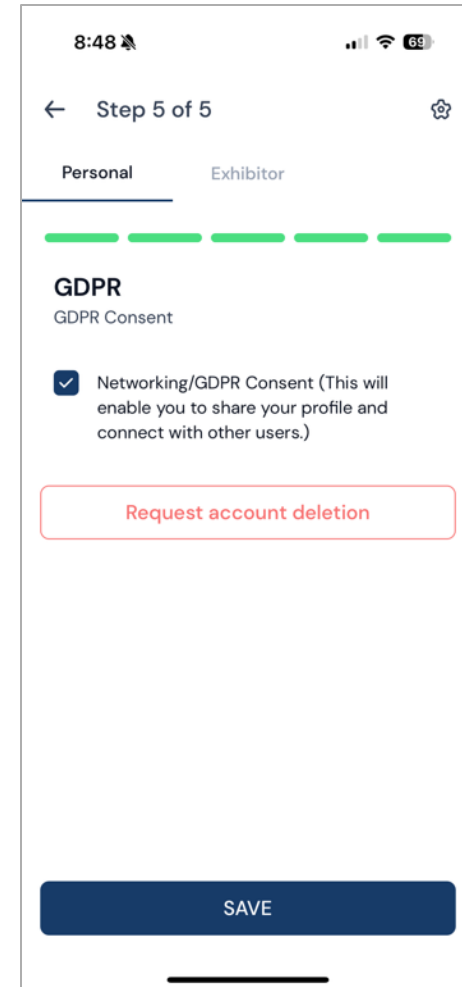

START CONNECTING

- View the “**Suggested Contacts**” section on your homepage. Suggested matches are generated by matching exhibitor’s desired products and services with the attendees’ offerings.

Profile Setup

When you login the very first time, you will be prompted to complete your profile. It can be updated at any time. Click the **edit icon** to complete your profile. On Screen 2, **scroll down** to select the products or services you offer so that your company appears in exhibitors' suggested contact shortlist.

Who Can Request A Meeting?

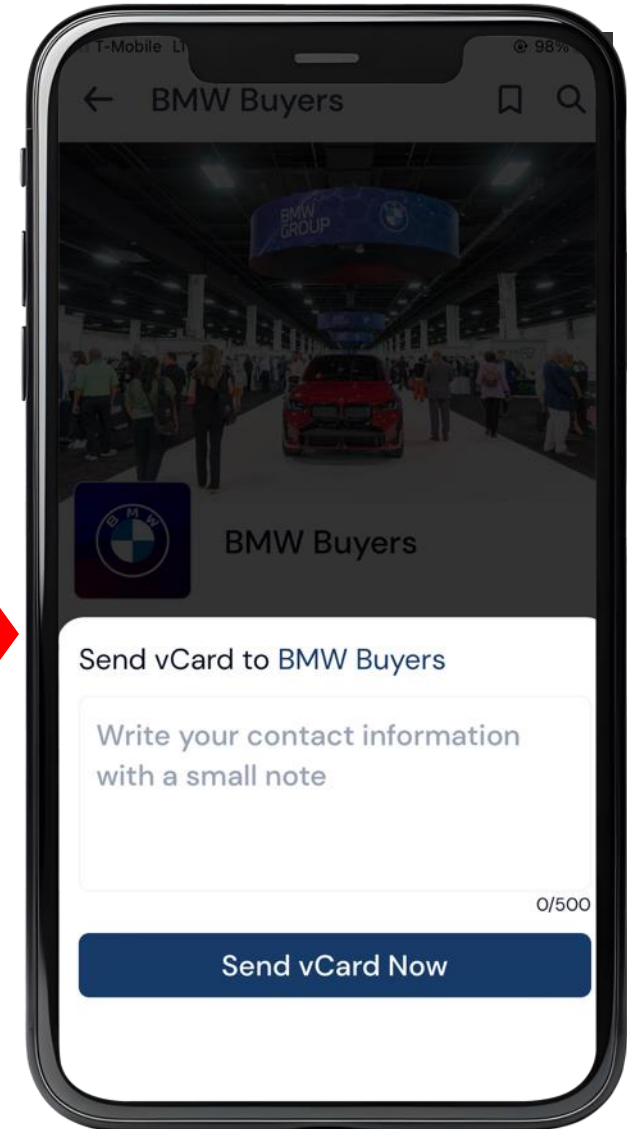

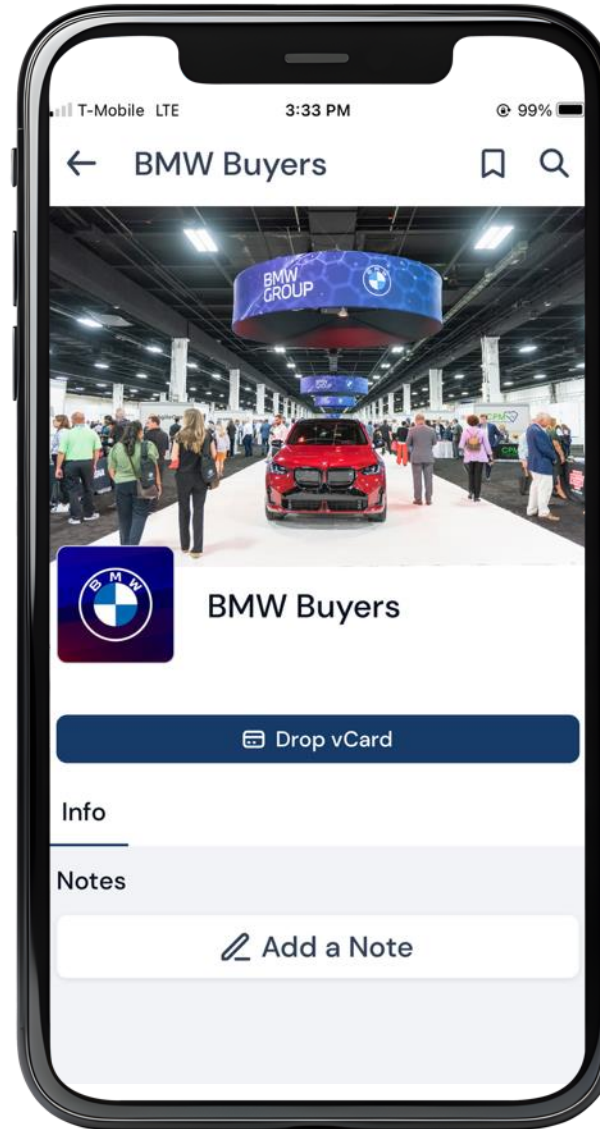

ATTENDEES cannot request meetings from exhibitors, but they can drop a contact card.

USE VCARDS TO CONNECT

Vcards will be added to exhibitor's Lead List, for them to contact at their convenience.

1. Go to the exhibitor list, and find the company you are interested in meeting
2. Click **“Drop vCard”**
3. Add a message introducing yourself and click **“Send vCard now”**

Make sure your profile is up to date-- that's the information that will be submitted with your vCard!

Meeting Requests

EXHIBITORS can request meetings from both attendees and other exhibitors. They can also initiate messaging with a specific attendee.
